

Declaration of Conformity

The undersigned of this document declares that the following products comply with the specifications of EU directive 2014/53/EU concerning R&TTE 1999/5/EC.

The undersigned of this document is developer and manufacturer of the following products:

EPAK DSi9 Ka VSAT with 90cm reflector operating in Ka-band

Product description:

The EPAK VSAT products provide high speed data communication via satellite in any maritime condition world wide for voice and data between offshore and onshore.

Product appropriateness:

The listed products are compliant to the standards and requirements of the EU directive 2014/35/EU, RoHS Directive 2011/65/EU and the harmonized standards IEC 62368, IEC 60945 and IEC 945. The listed products are also compliant with ETSI EN 303978 and meet the requirements of ETSI EN 301 489-1 and ETSI EN 301 489-20 and their performance is based on ETSI EN 301 444.
